

DJ CAMP RICHARDS

Waiver of Liability, Consent to Frequencies,
and Release of All Grooves

Bend, Oregon — Cascade Mountains

By attending DJ Camp Richards (the "Camp," the "Vibe," the "Sesh"), I, the undersigned camper ("Participant," "Selector-in-Training," "Future Legend"), do hereby acknowledge, agree, and submit the following:

1 Assumption of Risk

I understand that DJing involves inherent risks, including but not limited to: sudden onset of rhythm, unexpected key clashes, prolonged exposure to 4/4 kick drums, spontaneous crate-digging injuries, and the emotional whiplash of a well-timed breakdown. "Ass-Related Activities" shall mean, collectively, (i) Ass-Making, arising from missed transitions, trainwrecks, or other learning-adjacent incidents, and (ii) Ass-Shaking, arising from Participant's musical development, successful transitions, or the attainment of exactly the right amount of fun. I voluntarily assume all such risks and all Ass-Related Activities, without distinction as to category, sonic and otherwise. Camp Staff make no representation as to which category of Ass-Related Activity Participant will predominantly experience.

2 Release for Insufficient Fun

In the event that Participant experiences an insufficient quantity of fun — defined herein as any subjective shortfall in vibes, energy, or dancefloor euphoria — Participant agrees that DJ Camp Richards, its organizers, counselors, and affiliated selectors ("Camp Staff") shall bear no liability whatsoever. Low fun output may result from, without limitation: clashing tempos, a stubborn crossfader, or poor phrase-matching. Participant acknowledges that fun is not guaranteed, only facilitated.

3 Release for Excessive Fun

Conversely, should Participant experience an excess of fun — including but not limited to euphoric overload, uncontrollable two-stepping, spontaneous air-horning, declaring "this is my favorite song" more than four times in one session, any lasting impulse to quit one's day job and tour, or injuries from excessive fist pumping (shoulder strain, glow-stick lacerations, general overexertion of the gains) — Camp Staff shall likewise bear no liability. Air horns, where deployed, may be Camp-provided or Participant-supplied, at Participant's discretion. Camp Staff make no warranty as to the decibel rating, battery life, or emotional timing of any air horn, Camp-provided or otherwise. Fun, once unleashed, cannot be recalled, refunded, or EQ'd back down.

4 Equipment Acknowledgment

Participant acknowledges that all equipment (CDJs, mixers, faders, the aux cord nobody asked for) is provided in good working order, and that any resulting sync-button dependency is a pre-existing condition, not a Camp-induced injury.

5 No Guarantee of Crowd Response

Camp Staff make no representation as to whether Participant's selections will "go off" or "read the room." Silence, polite nodding, or one enthusiastic friend at the front are all acceptable and non-actionable outcomes. Notwithstanding the foregoing, Participant retains an irrevocable right to occupy the dance floor in a manner consistent with Participant's truest current state, including without limitation disco dancing, gentle swaying, eyes-closed grooving, contemplative nodding, or questioning of DJ's music choice, provided such occupation does not constitute Parking (defined as static, non-rhythmic occupation of prime dancefloor real estate for a duration exceeding one full track).

6 Sole Remedy

Participant agrees that in all cases of dissatisfaction, the sole and exclusive remedy shall be one (1) redo of the transition, at Camp Staff's discretion, set to a track of Participant's choosing.

7

Governing Law

This agreement shall be governed by the laws of good taste, the Cascade Mountains, and whatever BPM feels right at the time.

By signing below, Participant affirms they have read, understood, and groove-checked the above, and voluntarily releases DJ Camp Richards from any and all claims arising from too little fun or too much fun, provided that Participant does not waive, and expressly reserves, any claim arising from the attainment of exactly the right amount of fun, such attainment being the sole bargained-for benefit of this Agreement.
